CLEAN UP

May 7, 2022

A Big Shout Out to all RSC members. It is time to do our Spring cleanup around the club property. All club members are welcome to join in, especially Associate members. This is a great time to build up your hours to qualify to roll over to a Regular membership. Be sure to dress appropriate for the weather. There will be plenty of water available to keep hydrated and hot lunch will be served for all who invest some of their time in the cleanup. Members are encouraged to bring shovels, rakes, weed wackers, log splitters and what ever other yard tools you may have. Be sure to check in with Norm Pinard or James Wilson if you have any questions about the tools you may have. Time for the cleanup will be from 8AM till the time you need to leave.
