We had good weather for the Running Deer Shoot. There were eight shooters who came out to try their luck at the moving target. Some did well, some not so well, but a bad day at the range is still better than a good day at work. Thanks to Richard Gorman, Norm Pinard and Eric Rivard for set up and the take down of the targets and equipments. This shoot takes a lot of work. See you all at the Muzzle Loader Shoot on October 2nd. Thanks! - Bill Lane
