Turkey Shoot

Paul Hammond

We had a good day for the turkey shoot, our last shoot of the year. We had eleven (11) shooters come to try their luck at the "Robo Turkey." A good time was had by all who was there. Frozen turkeys were given to the first, second and third place winners. Thanks to all who came to the shoots this year, and a special thanks to the people who helped with the set-up and take-down of equipments and targets this year. Have a safe hunting season. See you all in the Spring of 2023. -
