## Attention All New Associate Members

It has come to our attention that club keys that are stamped with key number 301 and higher are defective. While the keys will open the clubhouse doors, they will not open the range gate lock. We are in the process of getting new keys made up at this time. It is recommended that all members with key numbers 301 and higher to attend the club meeting on Aug 2nd, to swap out the defective key. If you are not able to make that meeting, contact the club President to make arrangements to do the swap out.

## Open Pistol Shoot

1st Place	Eric Rivard
2nd Place	Jen Pinard
3rd Place	Kyle MacLen

We had a rainy, muggy day for our pistol shoot. Eight shooters came out to try their luck. The bugs were out and biting hard. Fortunately we had bug spray on hand. Lots of talking and laughs were had by all, even with the weather and bugs being as bad as it was. See you all at the next shoot on August 13th. **Bill Lane**

## RSC Apparel

RSC members can purchase different types of club apparel from Brian Palladino. He can be reach at (brian@dayslandscaping.net). He has a number of different items on hand, like caps, shirts, pullovers, zippered jackets and more. Now is the time to preorder heavier apparels for the coming cold seasons. It can take anywhere from 6 to 8 weeks to receive special ordered items. Brian can provide you with more specific information on what is available on hand and the items you can preorder. Email Brian at the above email address to get more information.
