RSC Apparel

RSC members can purchase different types of club apparel from Brian Palladino. He can be reached at (brian@dayslandscaping.net). He has a number of different items on hand, like caps, shirts, pullovers, zippered jackets and more. Now is the time to preorder heavier apparels for the coming cold seasons. It can take anywhere from 6 to 8 weeks to receive special ordered items. Brian can provide you with more specific information on what is available on hand and the items you can preorder. Email Brian at the above email address to get more information.

Attention All New Associate Members

It has come to our attention that club keys that are stamped with key number 301 and higher could be defective. While the keys will open the clubhouse doors, they will not open the range gate lock. It is recommended that members with key #301 and higher to make sure their key unlocks the clubhouse and also the range gate. Anyone with defective keys needs to get in contact with the club treasurer, to have the key swapped out.

Attention All Club Members

It is the club policy that all members and their guest sign into the range logbook at the range, when using the rifle or pistol range.

Newsletter Input

Any RSC or SBC members having information or photos that they would like to have posted in the RSC newsletter can address them to Ed Knowles at rsc_newsletter@proton.me. Be sure to state what you'd like written with each photo. Also, a reminder of items for sale in the newsletter, let Ed know when the item sells, so he can remove it.
