## Muzzleloader Shoot

**1st Place**  
**2nd Place**  
**3rd Place**

**Norm Pinard**  
**Paul Hammond**  
**Bill Lane**

It was the best of times; it was the worst of times....

Seven shooters attended the annual muzzleloader shoot. There were smoothbore muzzleloaders reproduced from early 1700's patterns, there were inline, scoped muzzleloaders as well.

At the end of the match, score-wise, Norm Pinard and Paul Hammond were tied for first at 41 out of 50. However, Norm shot a two 10X whereas Paul shot a one 10X putting Norm firmly in First Place. I'm pretty sure that the target is proudly displayed on a refrigerator in someone's kitchen.

The excitement didn't end there. It appeared Bill Lane and Steve Hopper tied for third at 31 which resulted in a shoot off. Bill shot a 9/10 whereas Steve shot a 6/10. Congratulations Bill! This article and the photos were contributed by Paul Hammond

## Attention All RSC, SBC and Scout Members

Way too often the clubhouse upstairs doors have been found unlocked. Just this past Sunday, after the turkey shoot, the door was found as illustrated in photo #1. While the door handle was in lock position, the door was not completely closed. Two weeks before that, the door was completely closed and door handle was locked, but when I pushed on both doors, they opened. Someone did not lock the bolt locks as illustrated in photo # 2 and 3. It is every members responsibility to make sure that **ALL** the doors at the clubhouse are securely locked, when they leave the building.
