Attention All RSC Members

This serves as the initial notification to all members regarding the upcoming membership renewal period, which will occur in April 2026. To maintain their membership in the RSC, all members must complete their renewal by April 30th. It is essential for each member to have a signed **Waiver and Release of Liability Form** on file with the club prior to renewing their membership. Renewals can be processed at the clubhouse before and after each meeting throughout April. Additionally, the treasurer will designate two Saturdays in April for those members who cannot attend the regular meetings; specific dates, times, and locations will be provided in the March newsletter. Members who fail to renew by the deadline will be removed from the club's membership roster and may reapply, but their names will be placed at the end of the waiting list, which currently has a wait time exceeding a year and a half.

Scouting America

Troop 101 has had a productive few months. We kicked off November with our 40th annual craft fair, which was a resounding success. Following that, we enjoyed a campout at the club, where we celebrated 'Troopsgiving.' In December, we hosted a lock-in at the high school, filled with games and the festive activity of decorating gingerbread houses. As we look ahead, we are excited about the many adventures that await us in the new year...Melissa Poisson
