The .22 Rimfire Rifle Shoot was a resounding success, marked by beautiful weather and the participation of 19 enthusiastic shooters eager to achieve high scores. The female participants excelled during the event, showcasing their skills effectively. I decided to revive the moving gallery target, which proved to be a popular addition, garnering numerous requests for its future use. Following the upcoming turkey shoot, we may consider organizing another event. I would like to express my sincere appreciation to all those who contributed to the setup and dismantling of the equipment. Additionally, I extend a special thank you to Nicky Winchell for diligently monitoring the scoring. I look forward to seeing everyone at the Running Deer Shoot...Bill Lane
